meadowdale senior high school
chiefs

CHIEFTAIN CHOSEN

Chieftain was chosen by the student body to be the name of your paper. The other two choices in the finals were Legend and Smoke Signal. The name Chieftan will be used in subsequent issues.

CLASS OFFICERS ELECTED

Officers for junior and sophomore classes were elected Friday October 11 after three days of campaigning with posters, pins and promises.

Junior class officers are: Ray Ewing, president; Bill Lawson, vice-president; Leslie Bingham, secretary, and Kari Stonebraker, treasurer.

Jim McHugh was voted into the office of sophomore class president assisted by vice president, Linda Misiuda. Karen Yeager was elected secretary, and Kathy Bogart, sophomore class treasurer.

SPEECH ENTHUSIASTS SEE DEMO

Oratory and debate club participants attended a state high school demonstration at the Unidersity of Puget Sound, October 5.

Demonstrations included debate, oratory and oral interpretation. Also attending the demonstrations were members of Edmonds and Terrace Senior High Schools.

Speech activity participants of Meadowdale High, under the direction of Lynes King, are Lynn Miller, John Jones, Kevin Breckner, Dave Jenkins, Doug Berg, Bob Samuelson, Kandy Stratton and Jan Washkovich.

Included also in the club are Melody Stauffer, Sandra Schnell, Skip Hickey, John Mills, Norris Aylesworth, Jiggs Haines, Kari Stonebraker, and Carol Nofziger.

A.S.B. OFFICERS ELECTED

Jerry Hause

Pam Harder

Beth Bone

Joan Hamack

President
Ron Tachell

Ron Tachell, junior, has been elected by the student body, to serve as president of the student body for this year. Ron, the son of Mr. and Mrs. G. Tachell, said that he is going to try his hardest to make this year's A.S.B. the best one Meadowdale High School shall ever have. "With all the enthusiasm the students show, this objective will not be hard to fulfill," stated Ron.

Assisting Ron this year will be Jerry Hause, serving as vice-president. Jerry thinks this year's officers are excellent and said they hope to lay many foundations for the future students of Meadowdale.

Doing all the paper work is Pam Harder, this year's secretary. Pam is the daughter of Mr. and Mrs. G.A. Harder of Lynnwood.

Beth Bone, treasurer, will have the tough job of taking care of all the A.S.B. finances. Helping Beth with this task, is Joan Hamack, assistant treasurer.

M.H.S. GETS APPLE MACHINE

With the arrival of the new apple machine, the remarks heard in the halls are varied: "It's here!" "Mine was mushy." "Change, what change?" "Let me get my own." "Wanna bite?"

PSAT TESTS TO BE GIVEN

Preliminary Scholastic Aptitude Tests will be given to juniors in the Commons, Saturday, October 19, from 8:00 to 11:30 a.m. Sign-up sheets and pamphlets concerning the test are available in the junior counselor's office.

"This test will help the students gain better understanding of their college abilities," said Richard Boggio, junior counselor.

Students applying for certain scholarships will need PSAT scores.

Cost of the test is $1.

CALENDAR OF EVENTS

Oct. 19	P.S.A.T. Tests 8-11:30 a.m.
Oct. 24	Cross Country vs. Mercer Island at Green Lake, 3:45
Oct. 24	JV Football at Marysville, 3:15
Oct. 26	Football vs. King's Garden at Edmonds 8 p.m.
Oct. 30	Fund drive kickoff
Oct. 31	JV Football vs. Cascade, here, 3:15

STEVIE WONDER

Detroit 8, Michigan

MY DAY WITH LITTLE STEVIE WONDER
By Kari Stonebraker

As special guest of Little Stevie Wonder I had a personal interview with each performer in the 1963 Show of Stars at the Opera House, September 20. The show was sponsored by Radio KJR with Discjockey Pat O'Day as Master of Ceremonies.

The order of performances was: The Marchans, The Wailers, The Viceroys, Gayle Harris, The Lancers, Nino & April, Ray Stevens, Freddie Cannon, The Beach Boys, Dee Dee Sharp, and Little Stevie Wonder. The audience went wild as the show progressed.

Little Stevie Wonder is a sightless, twelve-year old prodigy from Detroit, Michigan, who has been recording for some 18 months. "Fingertips" and "Workout, Stevie, Workout" are his two hit records. His "different" sounds from throat and harmonica have rocketed him into the top ten. He will soon be traveling to Paris, Rome, London, Australia, and the Far East for personal appearances.

Backstage, I presented autographed pictures of Stevie to teenagers while performers were mobbed by autograph seekers. It was a wild experience but a thrilling one. I found the celebrities wonderful people.

When you care enough
to have the very best...

Have your valuable cards and wallet pictures plastic coated.

Let one of our attractive student store sales girls assist you in protecting your cards and pictures against wear.

Only 15¢ each

A.S.B. FUND RAISER

From October 30, through November 12, Meadowdale High School will have its one large fund drive, a magazine sale. The goal of this drive is to raise at least $3,000.00 dollars for our A.S.B. fund. In order to reach this goal, each student must sell four subscriptions. A student could sell this many to his family alone.

When a student sells four subscriptions he automatically becomes a Quota Buster and is eligible for the quota buster drawings held each day. Prizes such as hamburgers and milkshakes will be awarded. If a quota buster is very lucky he or she might win a dinner to a near-by restaurant for two.

A grand prize will be awarded at the end of the drive to the student who has sold the most subscriptions. The prize will probably be a portable stereo record player.

October 30, is not far off. Remind your parents friends, and neighbors not to renew subscriptions until the students of Meadowdale have had a chance to knock at their door.

SWEATSHIRTS ON SALE

To keep the winter cold out, and the school spirit in, buy a Meadowdale High Sweatshirt! They are only $2.60 each in the student store.

UGH!

Every morning, Meadowdale's Chief announces PA Pow Wows with a jingled bell. Now we have a coyote howl to warn us of fire danger! The coyote, apparently in pain, howled students outdoors in Wednesday's practice fire drill. Was the hasty departure due to the need to escape fire or possible insanity?

FILMS FOR FRENCH

What has happened to the traditional book approach to French? Films are now the basis of the new method being used this year, according to Mrs. Winifred Parris, French teacher.

Using the "Je Parle Francais" course, first, second, and third year students gain understanding by first watching a film. After students have acquired the general meaning, tape recordings of the scene are used to bring out new, tricky word phrases. Studying of the text of the film, questions, and practice complete an "overlearning" process.

Tommy, Pegg and Dickey

CHIEFTAIN GOES BACKSTAGE
by Pegg Rupp

When the Smothers Brothers played Seattle's Opera House Sunday, October 13, we were there.

Sal Jungers, photographer and I interviewed the stars before show time at 3 p.m. We took pictures, talked and became acquainted. When they were called on stage, we watched from the wings.

For two memorable hours Tom and Dick Smothers held their audience spellbound. They are not merely two guys telling jokes and playing folk music. They are so natural in their delivery that one can see oneself as either the henpecked stumbling Tommy who "blinks out at the world in tortured confusion," or as the younger brother Dickey, his brother's keeper.

Tom and Dick are brothers, and their name is Smothers. Their careers started while attending San Jose State College with an audition at the Purple Onion night club in San Fransisco.

Tom, 26, is the half of the team who "joyously muffs lines, stumbles over big words and eternally upstages Lil' Dickey!" Tom plays the guitar and seeks to edify his confused self by making up songs on the spot.

Dick is 24, plays the bass violin. He is the eternal straight man whose duty it is to bring order out of the chaos Tom creates. He intended becoming an elementary school principal, but Tom wanted to be an entertainer, so Dickey tagged along.

Their songs and dialogue at this show were sometimes funny, sometimes wistful, but always entertaining.

After the show the brothers dashed back to the dressing room, emerging later to sign autographs for waiting fans.

Both are married. Dick has a little girl and lives in Salinas, California. Tom and his wife live in Los Angeles.

DEAR KARI,

Sophomores get under my skin. They should pass a law against them. Come on how about getting a T.V. so the dear sophomores can watch Mickey Mouse, Wunda Wunda, and Romper Room.

Amen

DEAR AMEN,

Sophomores took time out from watching Mickey Mouse, Wunda Wunda, and Romper Room to defeat Cascade and Bothell. Remember that you were once a sophomore yourself.

— — —

J.V. CROSS COUNTRY TEAM SCORES SECOND WIN

With Dick Horch leading the way our Meadowdale Cross Country chiefs out-ran their 3rd. opponent, Bothell High.

Horch, J.V. runner, received top honors with the fast J.V. time of 11 min. 29.3 sec. Paul Robertson, last J.V. meet's champion ran varsity this time, placing second, with a 10 min. 29 sec. run.

The cross-country course at Bothell has recently been lengthened from 1¾ miles to 2 miles. Both teams were unfamiliar with the course. Meadowdale Varsity team lost their meet placing, second, sixth, and tenth while the J.V.'s won scoring 24 points to Bothells 39 (low score wins).

DRILL TEAM AND PEP CLUB

Junior and sophomore girls interested in Drill Team are practicing after school Mondays through Thursdays in the Commons.

At an earlier meeting, it was decided by vote that sophomores would be allowed to join this year only, and that juniors will hold offices. A committee of eight juniors and eight sophomores was elected.

The committee met on Wednesday, September 25, after school and elected Jacque Hambley as secretary. They decided that after several weeks of training, girls will be judged by a group of five teachers on the basis of practice attendance, group and individual marching, posture, grooming and size. To be eligible a girl must have has a 2.0 grade point last semester, and a 2.5 grade point at the quarter. Approximately twenty girls will be selected for the Drill Team. All remaining girls may try out for Pep Club, which will be a separate organization.

HIGHLIGHTS

by Jon Wright
and Steve Schroeder

Beginning with this issue, the sports staff introduces "Highlights", a collection of trivia gathered in and around M.H.S.

Meadowdale's sports record isn't bad. We have won one-third of our football games and one-half of the cross country meets.....Congratulations go to Jim Coan for playing a fine defensive game against North Kitsap...The smallest junior on the cross country team is Terry Olson.....An unofficial letter goes to Peter Clark for being one of the fastest students out of the building during our fire drill.....Paul (legs) Robertson took first place to win our first cross country meet...Congrats to the students for producing the large turnouts at games. Keep up the spirit... Tom (Stork) Tumblin is out of football with a broken arm, but he plans to be back in a few days. Incidentally, Tom measures 6'5½", is the tallest player on the squad..This week's Mr. Hustle goes to Steve Laffoon who scored the first touchdown in the Chiefs' first victory... AN ASTONISHING FACT--our neighboring Edmonds tied the score in their game with Shoreline last week. We so hope they keep up the good work.

BAND PRACTICE BEGINS

Meadowdale's first band has already begun to practice for their first concert to be held in December.

The band, orchestra, choir and chorus, involving about 150 students, will participate in the show.

"It promises to be a fine performance," said Robert Burton, band and choral director. He also stated that the band, though small, is good.

"They hold their own even if they are lacking in certain instruments," he added.

BSCS BIOLOGY PROGRAM USED HERE

A new method of instruction is being employed by biology teachers Edward Nievaard, Mrs. Elizabeth Sears, and Horace Propst. Their pupils are using the B.S.C.S. Green Version biology text, which follows the ecological approach to the subject. The emphasis is being placed on investigation and inquiry, rather than on the stated fact.

EDITOR SPEAKS OUT

The conduct of some M.H.S. students on the buses is deplorable and dangerous! Riding the buses is a privilage which these students constantly abuse by heckling the bus driver, annoying the students and even by smoking on the bus. These joy riders think only of having a good time and showing off. They don't stop to realize that with their antics they endanger the life of every person on the bus. The driver cannot remain alert to his driving in such confusion.

Lighting a cigarette in a bus is very dangerous because of the high quantity of gasoline fumes in the bus.

A MESSAGE FOR THOSE WHO INSIST ON ABUSING THE PRIVILEGES: Don't be the potential killer of your classmates and friends!

LIBRARY STOCKED

The books are here! There are now approximately 1000 books on the shelves. Library cards have been issued to all students.

Roy Bourlier, librarian, will welcome suggestions from students concerning books to be purchased. He would also appreciate any donations of good books or magazines. At the end of the year, he hopes to have at least 3000 books.

The library will be open to students all day long as well as a half hour before and after school.

As of Monday, October 7, a little over 80% of the A.S.B. cards had been sold. This is 20% less then the goal. Let's show that school spirit does exist in the heart of every M.H.S. student. Everyone buy a card and support your school

CHIEF OF THE WEEK

Steve Laffoon

Occupying a top berth on Meadowdale's football team: Steve Laffoon, this issue's Chief of the Week.

"We have the sort of team spirit that can help us win the rest of our games," said Steve.

He supported this statement in last week's victorious game with Tahoma. Steve ran 65 yards to score one of the two touchdowns Meadowdale made during the game.

Steve, Meadowdale's first member of the 100-yard club, commented on the coaching staff. "We have some excellent coaches who are doing their best to help the players get the most out of the game."

Football ranks as Steve's favorite sport. He is planning to turn out for track as well.

Out of school Steve enjoys swimming and water skiing.

J.V. TOPPLES BOTHELL

On September 26, Meadowdale High's sophomore team met and defeated Bothell's J.V. squad 6-0.

During the first half of the game neither team was able to score, although the Chiefs clearly outgained their opponents.

Midway through the third quarter, however, Meadowdale penetrated deep into Bothell territory. By virtue of a strong running attack, the Chiefs made it to the one-yard line of Bothell but were penalized fifteen yards. With fourth down and fifteen yards to go for the touchdown, there was some speculation as to whether or not the Chiefs could push the ball over the goal line. These doubts proved to be needless, as Mike Clemens took a well-placed touchdown pass for the six points. The Chiefs' defense proceeded to hold Bothell's offense to negotiable gains to take the victory.

J.V. SCALPS CASCADE

On October 3, Meadowdale High School's rampaging sophomores transformed the Cascade Bruins into the Cascade "Teddy Bears" to the tune of 6-0 for their second victory against no losses.

There were 12 punts in the game, attesting to the strong defenses of both teams.

Midway in the fourth quarter, however, the Chiefs broke the scoring drought when a Cascade back fumbled a Meadowdale punt and the Chiefs gained control of the ball on Cascades 5. A quarterback rollout then gained 4 yards, and put the Chiefs on the 1 yard line. Ray Payne plowed up the middle behind fine interior blocking for the score.

Cross Country

Meadowdale Wins Meet
Robertson Places First

Running at their best, Meadowdale defeated Snohomish 29-26, with Paul Robertson placing first.

On Wednesday, October 2, Meadowdale met Snohomish for a competition 1 3/4 mile run. Forty Meadowdale Chiefs ran against the Snohomish team of twenty-five.

The course was partly uphill on a grass covered field and had a previous record of 8 minutes 34 seconds. Paul Robertson, star runner, ran the course in a near-record of 9 minutes 8 seconds.

Coach Patrick Eason has high hopes for the team but comments, "They'll have to give 100% to lick the coming teams."

CINDERMEN LOSE TO MARYSVILLE

Meadowdale's Cross Country team was defeated 24 to 31 by Marysville on September 27.

The Chiefs ran a 1.85 mile course through Marysville's main street on a hot Friday afternoon. Chiefs placing in the top ten follow with their order of finish: Paul Robertson 2nd (9:20), John Suiter 5th (9:56), Jim Plouf 6th (9:58), Terry Olson 8th (10:03), and Rick Stickney 10th (10:19).

CHIEFS TROUNCE TAHOMA

Saturday night our Chiefs had the Indian sign on Tahoma High and sent the visitors home on the short end of a 13-7 score.

The Chiefs struck with lightning swiftness in the first quarter after an exchange of punts had placed the ball on the 30 yard line of Meadowdale. Halfback Steve Laffoon took a pitchout and sped around right end. With some great line blocking, Steve suddenly found himself in the open and outran the Tahoma Bear defenders for the touchdown. Ray Ewing added the extra point.

Midway through the second quarter, however, Tahoma started a sustained drive that resulted in a touchdown for the visitors. The point after the T.D. was good. After a few more plays both teams departed for the locker room as it was halftime. The score at the half was tied 7-7.

The third quarter was comparitively uneventful until the final few minutes. Then the Chiefs started a steady drive assisted by some strong running by George Christ and Ray Ewing and a 20-yard pass play from Bill Thompson to Steve Lafoon. This drive ended with Ray Ewing plunging into the end zone for the 6 points. The extra point try was no good leaving the score 13 to 7 in favor of Meadowdale. The third quarter ended shortly thereafter.

During the fourth quarter, the Chiefs stopped the Tahoma offense in its tracks and were close to scoring when fumblers prevented them from doing so. The game ended with Tahoma on their own 22 yard line.

The final score read Meadowdale 13, Tahoma 7. Bedlam broke out in the stands as the Chiefs chalked up their first victory against two defeats.

VIKINGS DOWN CHIEFS

The Meadowdale Chiefs lost their second game of the season to North Kitsap's Vikings, 20-7, Friday, September 27.

Highlights of the game were: A touchdown, extra point, and interception were made by Gnos of Kitsap, forcing the Chiefs to trail 7-0 at the end of the third and scored two TDs plus an extra point to assume a 20 lead. In the fourth quarter Ray Ewing led the Chiefs in a 20-yard sweep to net Meadowdale's first touchdown and point making the final score, North Kitsap 20, Meadowdale 7.
